

Sculptures Out Back

ARTIST BRIEF

The Maranoa region is looking to celebrate its distinctiveness and regional diversity with an outdoor walk of art near the entrance of the town of Roma and smaller works throughout the town of Roma.

Any medium suitable for the outdoors can be used and there is no restriction to size though safety issues should be taken into consideration.

The acquired sculpture is to enhance the social value of our public domain and to support tourism.

Themes may include celebration of local history, cultural heritage, community and the environment.

Points will be awarded for: first impression, creativity, originality, finish, composition & texture.
